## 2008 Golf Marathon Registration

I am excited about the opportunity to participate in the 2008 IHN Golf Marathon.

I know I will be well fed, and have a lot of fun helping to raise much-needed funds for an organization whose mission I do strongly support.

In addition to committing to playing 100 holes of golf (or as many as I can complete) on Monday September 22, 2008 at Grand Rapids Elks, I will endeavor to raise pledges for my participation from my friends, family, and network with a goal of \$2,500.00.

As an indication of my commitment, I have enclosed my self-pledged check for \$100.00.
